The Glenelg Football Club Working Group has continued to meet with an aim to resolving the outstanding debt of \$1,029,922 owed by the Club to Council. This

included receiving an investigative report on the Club's current and future financial position which highlights that, though sustainable, its capacity is limited.

As part of the negotiations, Glenelg Football Club has written to Council with a proposal to pay 50% of the debt by 30 June 2024 and a request for debt forgiveness on the remaining 50%. This amount would then be used by the Club to invest in identified projects that aim to raise additional revenue and develop football across the community.

Due to an existing provision within Council's financial statements for an impairment on the loan, a 50% forgiveness of the outstanding debt would have no impact on its operating result or its Long Term Financial Plan. The \$514,961 cash receipt, when received, would be used to reduce Council's borrowing requirements in 2023-24.

That Audit and Risk Committee advises Council that:

1. it has received and considered the request from Glenelg Football Club for debt forgiveness on 50% of its outstanding debt with Council; and
2. it recommends that Council should consider the debt forgiveness proposal from Glenelg Football Club.

RETAIN IN CONFIDENCE – Section 91(7) Order

3. That having considered Agenda Item 10.1 109/24 Glenelg Football Club Loan in confidence under section 90(2) and (3)(d) of the *Local Government Act 1999*, the Audit and Risk Committee, pursuant to section 91(7) of that Act orders that the report, attachments and minutes be retained in confidence for a period of six months and the Chief Executive Officer is authorised to release the documents when Audited Financial Statements are presented to Council.
