2. That in accordance with Section 90(3) of the *Local Government Act 1999* Council is satisfied that it is necessary that the public be excluded to consider the information contained in Report No: 318/24 – City Zone Stormwater Renewal on the following grounds:
  - d. pursuant to section 90(3)(d) of the Act, the information to be received, discussed or considered in relation to this Agenda Item is commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party that may prejudice the commercial position of a contractor that Council is considering doing business with.  
In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.
  - k. pursuant to section 90(3)(k) of the Act, the information to be received, discussed or considered in relation to this Agenda Item are tenders for the supply of goods, the provision of services, and the carrying out of works that are related to the provision of non-intrusive construction within the City Zone of the Transforming Jetty Road project.
3. The Council is satisfied, the principle that the meeting be conducted in a place open to the public, has been outweighed by the need to keep
