**Salary Range:**  
**117,050 – 124,341 p/a**

## **About Us**

We are proud of what we achieve for our community and we empower and value our staff by recognising achievements and delivering on our promises. We are respectful, innovative and easy to do business with and we engage our community to inspire progress and build a future. We enjoy what we do!

## **About the Opportunity**

The City of Holdfast Bay is seeking a skilled professional to coordinate third-party and development activities in compliance with Council standards.

Reporting to the Manager, Engineering, this role involves overseeing complex projects from planning to completion, including development activities within the public space. Strong communication and stakeholder relationship management skills are essential for success in this role. You will play a key role in ensuring effective assessment, approval, and regulation of development affecting the public realm.

This is a fixed term position for five (5) Years until end November 2029.

## **The right person will have skills and experience in the following:**

- Qualification or significant experience in Engineering or experience in a similar role
- Knowledge and understanding of guidelines and standards relevant to traffic management
- Knowledge and understanding of Local Government Act and Road Traffic Act
- Knowledge and understanding of planning processes in South Australia
- Knowledge and understanding of building design and construction practices
- Knowledge and understanding of WHS Act

## **What we offer:**

- Flexible working options
- Career development opportunities
- Health and wellbeing programs
- Attractive and competitive remuneration
- Recognition of achievements
- Vehicle Salary Packaging
- Paid parental and partner leave
- Employee Assistance Program
