KERBSIDE BIN PLACEMENT

Where practical, keep a minimum distance of 50cm between bins, and 1 metre between bins and parked cars, street trees, stobie poles and letterboxes. Remove bins after they have been emptied on the day of collection.

2024-2025 OLD SERVICE KERBSIDE COLLECTION CALENDAR

TRY OUR SUSTAINABLE KERBSIDE COLLECTION SERVICE

Council offers a sustainable kerbside collection service to support food scraps recycling. This sustainable service means your green FOGO bin is picked up weekly while your red landfill bin is picked up fortnightly. There are also options for a larger red landfill or yellow recycling bin to help households adjust.

By choosing this service your household will contribute to:

- creating compost for our farmers and gardens
- creating local jobs
- minimising odours associated with food scraps
- freeing up space in your red landfill bin
- sending less waste to landfill and
- reducing greenhouse gas emissions

Please contact Council on **8229 9999** or visit www.holdfast.sa.gov.au if you have any questions about trying our sustainable waste service.

HAZARDOUS & TRICKY WASTE

There are a variety of waste materials that are not suitable for any household bin. For hazardous and tricky waste disposal options visit www.holdfast.sa.gov.au

E-WASTE

E-waste and batteries must not go in any household bin. E-waste can be collected through Council's hard waste service. There are also drop off locations across Adelaide which can be found on www.holdfast.sa.gov.au
