## KERBSIDE BIN PLACEMENT

Where practical, keep a minimum distance of 50cm between bins, and 1 metre between bins and parked cars, street trees, stobie poles and letterboxes. Please remove bins after they have been emptied on the day of collection.

## FOOD SCRAPS GO IN THE GREEN FOGO BIN

Council provides each household with a kitchen caddy to assist in the disposal of food scraps. One free roll of 75 compostable bags is available to households from the Brighton Civic Centre and Glenelg Library each financial year. Additional rolls of compostable bags can be purchased from Council.

Our 2023 kerbside bin audit found households with weekly FOGO bin collections diverted 83% of waste from landfill compared to only 50% households on the old service.

## HAZARDOUS & TRICKY WASTE

There are a variety of waste materials that are not suitable for any household bin. For hazardous and tricky waste disposal options visit [www.holdfast.sa.gov.au](http://www.holdfast.sa.gov.au)

## E-WASTE

E-waste and batteries must not go in any household bin. E-waste can be collected through Council's hard waste service. There are also drop off locations across Adelaide which can be found on [www.holdfast.sa.gov.au](http://www.holdfast.sa.gov.au)

## DID YOU KNOW?

Food scraps placed in your green FOGO bin ensures they are turned into valuable compost which takes the pressure off the rates you pay. A "win win" for local farmers and our gardens!

# SUSTAINABLE KERBSIDE COLLECTION CALENDAR

Bins should be placed at the kerbside by 6am on your collection day.

Due to the Wednesday Christmas Day and New Years Day public holidays, all bin collections between Wednesday 25 December 2024 and Friday 3 January 2025 will take place one day later.

We understand that Christmas and New Year are a busy time at home with extra rubbish. For this reason, an additional red landfill bin collection will be available the week beginning Monday 30 December 2024.
